How the fundraiser works:

- The NIFTY FIFTY fundraiser card gives your supporters 50% OFF THEIR ENTIRE REGULAR MENU-PRICED ONLINE ORDER, (redeemable online-only).
- Each card has a unique online-only promo code that is good for 18 redemptions/orders. It has a pre-set expiration date and is not valid on specials or with other promo codes.
- Codes are valid online at participating locations in South Florida, Central Florida, Tampa/St. Petersburg, Lee County and the Twin Cities in Minnesota. For further details visit www.PapaJohnsFundraising.com.
- Your students/members and their families pre-sell the cards for \$15, and \$10 from every card goes back to your school or organization.
- You choose any 2 or 3-week period to sell the cards. The more time you allow for promotion and support the better. It takes 2 weeks to provide you with support materials, including order taking forms to kick off your fundraiser, so please keep that in mind.
- Once you conclude, count your orders and confirm the total funds collected. **There is a 2-week turnaround to receive your cards once we have your final numbers.** An email confirmation will be sent to your main contact (i.e. PTA liaison/school administrator or group leader). We will then coordinate card distribution and collection of funds, along with a check presentation and any prizes if you qualify.

FUNDRAISE FAST!

Sell 500 cards x keep \$10 per card = raise \$5,000!

It's that simple, no cash up front!

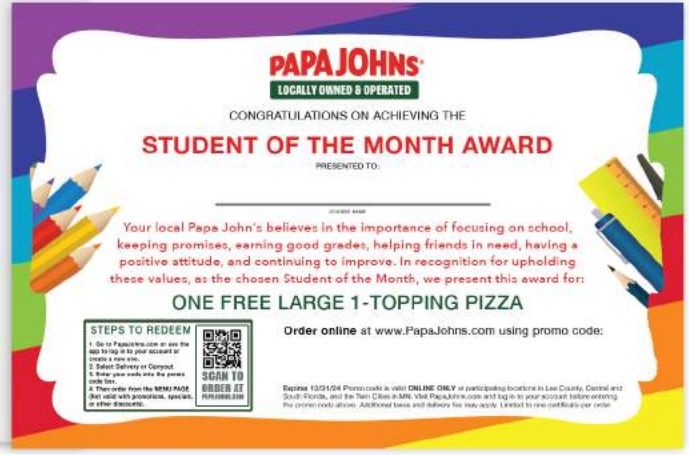

No Administration Fees • No Minimum Purchase • \$0 Upfront
